

Axcount Generika is a fast-growing company based in Friedrichsdorf. It was acquired by UK based pharmaceutical company, Bristol Laboratories Ltd in April 2013.

Axcount Generika has over 130 products registered and has successfully participated in a number of tenders for pharmaceutical products. Axcount Generika is dedicated to distribution of high-quality generics and continues to expand its product portfolio and deliver value to its customers. We believe that growth is only possible through dedication and expertise of our workforce. And for the very same reason- we offer a robust workforce platform that is oriented towards excellence, and provide opportunities to people who love challenges and are looking to enhance their potential. Axcount Generika is currently looking for a
